**Distribution:
Original and four copies for the Department.**

According to the Royal Consul of Italy in Aden, there are no restrictions on the employment of aliens in either Eritrea or Italian Somaliland. However, persons intending to reside in either of these colonies must obtain, besides the customary visa, express permission from the Ministry of Colonies.

The Italian Consul, stating that since to his knowledge there is no legislation in the premises, is therefore unable to furnish copies of laws governing foreigners employed in the colonies.
